

Centro Villas

Your New Home Right at the Heart of the City Beside Twin Heart Realty's maiden project arises another "jewel of residential living" - Centro Villas!

Strategically located along a growing suburb, this 4.2-hectare Centro Villas development in Dayao is very accessible to Roxas City's commercial, educational, and residential areas. East and northward, it is a comfortable drive to private schools, beach, airport, sea port, and commercial centers. On its west are a state university campus, convention center, public fishing port, fishing village, cockfighting arena, and other residential gated communities.

Centro Villas shall have the following features and amenities:
