

3 Negosyo Centers Now in Capiz

ROXAS CITY, Capiz (May 19) – Three Negosyo Centers (NC) have been established by the Department of Trade and Industry (DTI) Provincial Office to take charge in promoting ease of doing business within its jurisdiction. These include the newly launched Negosyo Centers lodged at the Business Permit and Licensing Office (BPLO) of Mambusao and Pontevedra towns, respectively.

The first Negosyo Center, launched in December 2015, is at the ground floor of DTI Provincial Office at the Sacred Heart of Jesus Avenue in Pueblo de Panay here.

DTI – 6 OIC regional director Rebecca M. Rascon thanked the local chief executives for readily accepting the project as well as providing office space for the centers during a launching in Pontevedra town.

DTI provided each of the newly established centers with a computer set with accessories and printer, two office tables with 2 chairs, three visitor chairs, an office cabinet and a technical staff who will provide the basic services to existing and would-be entrepreneurs in the area.

The establishment of the Centers is pursuant to Republic Act No. 10644 or the “Go Negosyo Act” which states that the Small and Medium Enterprises Development Council thru the DTI is the coordinating and supervising body for all the agencies involved in the establishment and operation of the Negosyo Centers.

The centers will also facilitate access to services for Micro Small and Medium Enterprises (MSMEs) such as business registration assistance, business advisory services, business information, advocacy monitoring and evaluation. (JCM/AAL/PIA6 Capiz)
